Celebrating Women with KYMCO Canada

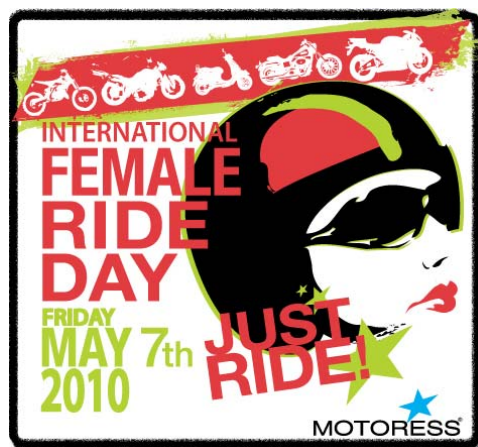

KYMCO Canada invites you to "[Celebrate the PEOPLE You Love All Over Again](#)" during the months of May and June by bringing back the popular promotion that was first introduced in February of this year. This special offer to Canadian residents offers rebates of up to \$400* on non-current People S series scooters (available in 50, 125, and 200 cc).

But wait... there's more!

With Friday, May 7th 2010 marking the 4th edition of [International Female Ride Day](#), and Sunday, May 9th being Mother's Day, KYMCO Canada wants to do something a little extra special for Canadian women who choose KYMCO:

All new KYMCOs purchased by women between May 1st, 2010 and May 15th, 2010 will benefit [Look Good Feel Better](#), Canada's only cancer charity dedicated to empowering women to manage the effects that cancer and its treatment can have on their appearance, and ultimately their self esteem. A \$20 donation will be made to LGFB in honour of each new female KYMCO vehicle owner who will also receive a complimentary International Female Ride Day T-shirt to further celebrate women and riding.*

Don't miss out on this fantastic opportunity to support an incredible charity and to celebrate women and riding!
