### **KYMCO – The Official Scooter, All Terrain and Utility Vehicle Supplier of 2010 FORMULA 1 GRAND PRIX DU CANADA**

Speed, class, excitement, distinctiveness – all words synonymous with KYMCO and the celebrated FORMULA 1 GRAND PRIX DU CANADA. It is with much enthusiasm that we announce KYMCO Canada as the Official Scooter, All Terrain and Utility vehicle supplier of the FORMULA 1 GRAND PRIX DU CANADA for the 2010 event!

The GRAND PRIX DU CANADA in Montréal is the only Formula 1 event held in North America in 2010 and is the longest running Formula 1 event outside of Europe. In fact, June 11-12-13 2010 will mark the 31<sup>st</sup> edition held on the Circuit Gilles-Villeneuve and will kick off the summer festival season in Montréal.

As the official vehicle supplier of the event, an entire fleet of KYMCO scooters, ATVs and UTVs will be on site during the FORMULA 1 GRAND PRIX DU CANADA weekend moving race teams, organizers and volunteers around the island with ease! Fans will have an opportunity to visit the KYMCO on site display and witness for themselves that performance is not only reserved for professional race car drivers! One lucky fan will also ride away with a brand new KYMCO B&W 250 scooter adorned with custom carbon fibre graphics!
