For Immediate Release  
November 27, 2008

Sainte-Anne-Des-Plaines (Québec)

KYMCO Canada is very proud to be working with Sauvetage AG – an emergency response unit based in Sainte-Anne-Des-Plaines, QC.

Last Monday several media representatives from the region as well as industry journalists arrived at KYMCO Canada dealer R. Goulet Moto Sport, located in Ste-Thérèse, QC for the presentation of KYMCO quads to Sauvetage AG.

The objective of this non profit organization is an important one: emergency intervention on ATV and snowmobile trails (connected to 911), and emergency response units for local events.

Sauvetage AG will now have access to several KYMCO ATVs in order to help them assist victims on the trails. Pablo Moncho, Regional Sales Manager for Eastern Canada, further commented: “I would like to highlight the commitment and professionalism of this non-profit organization. We encourage all companies to donate to, support and assist Sauvetage AG so that they can benefit from proper and adequate equipment. These donations can help save the lives of people in our trail systems for free. We will continue to contribute to the success of Sauvetage AG as much as we possibly can!”

We would like to thank all of the media persons who attended the presentation as well as R Goulet Moto Sport for hosting the event.

For more information on KYMCO ATVs or on the Sauvetage AG organization, please visit [www.kymco.ca](http://www.kymco.ca) and <http://sauvetageag.com> .
