

4x4

## 2012 MXU 450i

The new **MXU 450i** presents big time 4X4 utility machine performance in a mid-sized ATV. The powerful SOHC 443cc liquid-cooled EFI engine fires to life at the push of a button with all the power and punch to tackle the most rugged trails and get you through the tightest corners. KYMCO's automatic CVT transmission with low, high, neutral and reverse gears is easy to operate and puts instant power and torque to the maintenance free sealed shaft final drive. Shift on a fly 2WD to 4WD traction helps conquer even the most extreme off-road conditions while our class leading independent front and rear suspension smooth out the ride. On the job site or riding the weekend trails, this MXU 450i is packed with all the features you demand and at exceptional value.

<b>Engine type</b>	Liquid cooled, Single cylinder, 4 valve, 4 stroke
<b>Displacement</b>	442.9 cc
