

2x4

2011 Mongoose 300

The **Mongoose 300** is sure to catch the eye of any ATV enthusiast. It features a dual A-arm suspension in the front and a mono shock steel swing arm in the rear. The dual piston front calipers and 4 piston rear calipers will have you stopping on a dime while the cross drilled rotors help prevent brake fade. This quad brings new meaning to the word powersport.
